100% BUY BACK EVENT

NO PAYMENTS TILL 2016!!!!*

We need your vehicle now!! My name is Tony Nielsen and I am the General Manager at **Zachary Nielsen Auto Sales** and we are faced with a problem. We normally buy a significant number of vehicles a month from local and national auctions to stock our used car department. Due to the recent storms across the country, flood damaged vehicles have begun to show up at these auctions. We simply cannot risk our reputation and take the chance of purchasing one of these vehicles and it making its way into the hands of one of our customers. Therefore we need as many used vehicles as we can get. My problem could be your opportunity!

0.0% ON PRE-OWNED VEHICLES
Here is the opportunity for you:
We have decided to make a personal appeal to owners of your vehicle in our local market in an attempt to either trade with you or buy your vehicle outright. This is a straightforward appeal to purchase your vehicle for **100% OF THE ORIGINAL MANUFACTURERS SUGGESTED RETAIL BASE PRICE*** when your vehicle was new! Even if you did not buy it new we will honor this offer.

Get 100% OF MSRP FOR YOUR TRADE*
This is how it works:
Bring your vehicle into the dealership during this Huge Event. I have instructed our people to offer you 100% of the original MSRP base price for your vehicle. You will receive **100% OF THE BASE MODEL MSRP IN TRADE*** toward a new vehicle or one of our clean, late model, pre-owned vehicles. Obviously, your current vehicle must be in safe operating condition, with normal wear and tear and free of paint and collision work. The only adjustments will be made for mileage, ten cents to fifty-five cents, depending on models and reconditioning. We are not here to "nitpick" your trade-in. We are here to sell New & Quality Pre-Owned Cars, Trucks, Vans and SUV's at prices much lower than expected.
