The 2018 Credit Recovery Aid gives you the power to show up at the dealership as a buyer, not a browser. You have been pre-qualified for an auto loan between \$5,500 up to \$39,000 (**See reverse for terms & conditions of this offer)

Now, we know what you must be thinking. You are asking yourself if this is really possible? Yes, it is. We have a very different kind of approach. We are prepared to handle the initial transaction entirely by phone, in only a few minutes. In fact, we are light years ahead of your typical finance sources. We have to point out that we are not contacting you by accident. We are very careful to whom we extend an offer of auto financing.

You must be wondering why we selected you for this incredible offer? This offer has been extended to you because we believe everyone deserves an affordable, quality vehicle and funds are available for auto loans for individuals that meet certain requirements. Based on records, we believe you meet these requirements.
